

“Permit Us...”

Contracting with a Contractor Never!

The Code Office suggests some things to NEVER do...

Never:

- 1) Pay a contractor all of the money owed for a job before the work has been completed!
- 2) Sign any document without reading it first! Read that fine print!
- 3) Let anyone pressure you into signing a contract or having any work done.
- 4) Let someone talk you into having work done without a building permit if one is needed.

**NEVER PAY A CONTRACTOR ALL OF THE MONEY OWED FOR A JOB BEFORE THE
WORK HAS BEEN COMPLETED!**

**- REMEMBER –
STATE REQUIREMENT IS 1/3 DOWN, 1/3 HALFWAY THROUGH AND
1/3 UPON COMPLETION.**

**PLEASE BE CAUTIOUS OF CASH DEALS – ALWAYS GET A WRITTEN RECEIPT
WHEN PAYING CASH –**

READ THE FINE PRINT.

A QUOTE MIGHT JUST BE A CONTRACT IF YOU SIGN IT! -
